The Recording Academy® Producers & Engineers Wing® and MusiCares® are proud to partner to distribute vital hearing health information and resources. The Producers & Engineers Wing is a Recording Academy membership division serving the needs of producers, engineers, remixers, manufacturers, technologists, and other related music-recording professionals.

As a network of more than 4,000 members whose work spans all genres, regions and styles, the P&E Wing is a powerful, organized voice that addresses critical issues impacting the art and craft of recorded music.

MusiCares® helps the humans behind music because music gives so much to the world. With the support of the Recording Academy® and various foundations, programs, and initiatives, MusiCares® serves to ensure that qualified music companies, manufacturers, technologists, and other related music recording professionals are able to access the necessary services and financial assistance they need to thrive and stay healthy.

As an independent non-profit 501(c)(3) organization, MusiCares® relies on the generous contributions of individuals, foundations and corporations from around the world to carry out its mission and provide crisis relief efforts. MusiCares® also offers the following services to the music community at reduced or complimentary rates:

- Molded custom ear plugs
- Custom distortion-sensitive hearing aids
- Audiograms from a certified audiologist experienced in music-based noise exposure

These services are typically offered during our hearing clinics, scheduled periodically throughout the year and during select music festivals.
